ELECTION COMMISSION OF INDIA

NirvachanSadan, Ashoka Road, New Delhi-110001

No. 23/1/2015-ERS (NERPAP) Dated: April 2015

To,

The Chief Electoral Officers of
All States and Union Territories.

Subject: **Improvement in Electoral Rolls - National Electoral Rolls Purification and Authentication Programme (NERPAP)-Special Camp on 12.04.2015-regarding.**

Ref: ECI letter No. 23/1/2015-ERS, dated 27.02. 2015

Sir/Madam,

I am directed to refer to the Commission's letter dated 27.02.2015 on the above subject and to state that during the period NERPAP is on, Special Observers will be appointed by the CEOs to observe and review the programme. The Special Observers shall report the progress of the programme to the Commission after each Special Camp day held during the months from April to August. In this connection, the Commission has directed that in the State which has revenue divisions, Divisional Commissioners will be appointed as Special Observers. In other States, the Commission will appoint Super time scale IAS officers posted in the state as Special Observers in such a way that no Special Observer is required to observe the NERPAP activities in more than 5 districts. Accordingly, the CEOs **shall** forward the proposals for appointment of Special Observers to the Pr. Secy / Secy in charge of the State in the Commission immediately.

2. The CEO concerned will give Special Observers a briefing. During the briefing session, the CEO should give a copy of Hand Book for EROs, the latest instructions including those issued on NERPAP by the Commission along with statutory provisions.

अनुभाग अधिकारी/Section Officer
भारत निर्वाचन आयोग
Election Commission of India
अशोक रोड, नई दिल्ली-110001
Ashoka Road, N. Delhi-110001

3. A Special Observer is required to visit each district of his/her charge **atleast once** during each month from April to August. The Special Observer shall plan in such a way that on special camp day he is in one of the districts under his charge.

4. During the visit, the Special Observer should not limit himself to the district headquarters. ~~He should visit every AC atleast once during the period of programme.~~ He/she should visit some polling stations of all the Assembly Constituencies. During his visits he should convene a meeting of representatives of political parties to seek their active involvement in NERPAP. During his visit any member of public should be allowed to meet the Special Observer for any roll related complaints/issues. Hence, their tour / visits programme, their telephone numbers etc. should be widely publicized.

5. The Special Observer shall send a detailed report on all the points in the enclosed checklist to ~~the CEO with a copy~~ to Commission immediately after each visit. The CEOs shall ensure that necessary actions on actionable points are taken by the respective DEOs and intimate accordingly to the Commission within 3 days from receipt of the report.

Please inform all concerned and take necessary follow up actions.

Yours faithfully,

(NARENDRA N. BUTOLIA)

Sub: Ensuring confidentiality of Aadhaar Numbers during the process of seeding into Electoral Roll Data Bases

Sir,

This office has received queries from the Chief Electoral Officers of several States as to whether Unique Identification Authority of India (UIDAI) will permit publication of Aadhaar Numbers, seeding of which into the electoral data bases is being carried out by Election Commission of India, into the Electoral Rolls of those States.

In this regard, it is clarified that Aadhaar Number is one of the factors of authentication of a resident and its confidentiality must be ensured totally during the process of its seeding into the electoral data bases. As such, it may not be published in the Electoral Rolls or displayed on the website etc. It is requested to sensitize the Chief Electoral Officers of all States suitably.

ELECTION COMMISSION OF INDIA

Nirvachan Sadan, Ashoka Road, New Delhi-110001

No. 23/1/2015(NERPAP)-ERS 114-48/49 Dated: 5th May 2015

To,

The Chief Electoral Officers of
All States and Union Territories.

Subject: **Improvement in Electoral Rolls- National Electoral Rolls Purification and Authentication Programme (NERPAP)- -regarding.**

Sir/Madam,

I am directed to state that linking of Aadhaar number with electoral database is one of the activities of National Electoral Roll Purification and Authentication Programme, launched in the States/UTs on 3rd March 2015. After successful feeding and Seeding of Aadhaar number of electors in electoral database, it will be stored in the database as permanent record.

UIDAI in his letter dated 16th April 2015, has clarified that Aadhaar Number is one of the factors of authentication of a resident and its confidentiality must be ensured totally during the process of its seeding into the electoral databases, as such it may not be published in the electoral rolls or displayed on website etc.

The Commission, keeping in view of the position stated by UIDAI, has decided that Aadhaar number of an elector will not be displayed/reflected in electoral rolls, in the digitized Forms uploaded on the website for public scrutiny, voter slips and other documents of the Commission which are shareable with the public/put in public domain. All the officers/officials may be sensitized to ensure the compliance of the Commission's instant directions.

My dear Dr. Chandramouli,

ECI has already launched National electoral Roll purification programme, in which seeding of Aadhaar number in EPIC data base is briskly going on. I have been reviewing the progress of this programme myself off and on through Video Conferencing and visits. Yesterday, I had conducted a brief review meeting of the North Eastern States on the progress of NPR and issue of Aadhaar Card to our citizens in NEERPAP workshop at Brahmaputra Guest House, Guwahati, attended by CEOs and DEOs of concerned States along with other officers. During the meeting the following issues were highlighted

1. Though the progress of NPR in North Eastern States is good, there appears to be some issues in distribution channel of Aadhaar cards to the beneficiaries. For example: it was mentioned by DDG Aadhaar that as per his information Aadhaar cards are being kept in the post offices without distribution. Shri Gogoi, Dy. Commissioner of Sonitpur district in Assam mentioned that he was ignorant of Aadhaar card being kept in the Post Office in large numbers without being distributed. Such observations shows that there is a need for establishing integration between officers of Aadhaar, officers from RGI/Census, District administrations, post offices and CEO offices of these States, so that minor issues could be resolved immediately.

ई-मेल / E mail: hs.brahma@eci.gov.in, वेबसाइट / Website: www.eci.nic.in

2. Dr. P. Naik, Chief Electoral Officer of Meghalaya confirmed that Govt.of Meghalaya has agreed to proceed with the NPR and biometric data collection which could be initiated. In States of Arunachal Pradesh, Nagaland and Manipur, it was mentioned that the permanent service centers established are not fully equipped particularly with trained man power. It was reported that of ECIL, BEL and ITI, identified by RGI as Service Providers have sub-contracted the task to some local vendors. The work of vendors is not being properly monitored. It is desirable that you will have to critically review their work so that they gear up momentum to achieve the desired target.

With kind regards,

Yours sincerely,

D.O. No.9/69/2010-CRD(NPR)

8th April, 2015

Dear Sir,

This is in reference to your D.O. letter No. CEC/82/2015 dated March 25, 2015 regarding issues of biometric enrolment under NPR in NE States based on the review meeting, held at Guwahati, Assam.

In this connection, I would place following points in response to the specific points raised by you:

a) The biometric enrolment under NPR is undertaken by Office of RGI though the Central Public Sector Undertakings (CPSUs), which is monitored and supervised by the respective Directorate of Census Operations (DCOs). After the capture of biometrics, the encrypted data packets are uploaded to CIDR, UIDAI for de-duplication and generation of Aadhaar numbers. The Aadhaar letters are sent by Dept. Of Posts to the addressee directly. This Office or the DCOs do not have any direct role in non-delivery of Aadhaar letters. However, instructions have been issued to the CPSUs to enter the present address correctly for proper delivery of Aadhaar letters. It is suggested that the Deputy Commissioners (DCs &CEOs) may hold meetings from time to time for coordination with Department of Posts (DoP), which may be attended by the R.O. UIDAI, representatives of CPSUs and respective DCOs also.

b) The issue of start of biometric enrolment in Meghalaya under NPR, is being taken up separately with the State Government and it is expected to start in this month in two districts.

c) Instructions have been issued to CPSUs to ensure proper monitoring and placement of properly trained manpower at the PECs.

3. Moreover, I also inform you that NPR database with Aadhaar and EPIC numbers, wherever available, are being provided to CEOs of Gujarat, Uttar Pradesh and West Bengal as requested by ECI. The office of RGI will co-operate ECI in all its endeavour for NERUPAP.

With regards,

Yours Sincerely,

(C. Chandramouli)

Subject: **Improvement in Electoral Rolls- National Electoral Rolls Purification and Authentication Programme (NERPAP)- Coverage of Aadhaar by NPR -regarding.**

Sir,

As you are aware National Electoral Roll Purification and Authentication Programme (NERPAP) , 2015, launched nationwide on 3rd March 2015 is in full swing in the States/UTs. For attaining core objective of the programme i.e linking Aadhaar of electors with electoral database, Aadhaar numbers collected through different modes are being fed as first phase. Immediately after completion of feeding of Aadhaar number, seeding of Aadhaar in electoral database will be undertaken.

On the basis of inputs received from the CEOs of the States/UTs during Zonal review meetings, it has emerged that in States/UTs covered by NPR enrolment process and issue of Aadhaar is very slow due to various reasons. As such low coverage of Aadhaar in such States/UTs is a big bottleneck for accomplishment of prime objective of the programme.

The Commission in its review meeting on 07.05.2015 has expressed its concern in the matter and desired to hold a high level meeting with RGI, C-DAC, NIC, BSNL and CEOs of some selected States/UTs covered under NPR.

Accordingly, a meeting has been fixed with Registrar General of India, Director General (UIDAI),Director General (C-DAC), Director General (NIC), Chief Managing Director (BSNL) and the CEOs of Arunachal Pradesh, Manipur , Meghalaya, Tamil Nadu and West Bengal in the meeting hall at 4th Floor of Nirvachan Sadan (ECI) on **21st May 2015 at 11.00 A.M** so that issues raised by the CEOs may be resolved urgently.

You are requested to make it convenient to attend the said meeting on the stipulated date and time.

Yours faithfully,

Sd/-

(NARENDRA N. BUTOLIA)
SECRETARY

Copy to:

The Chief Electoral Officers of Arunachal Pradesh, Manipur , Meghalaya, Tamil Nadu and West Bengal with the request to attend the meeting on the stipulated date and time. They are also requested to come up with brief note on the issues and problems faced in the States connected with Aadhaar collection so that the same may be discussed in the meeting.

Major issues / concerns

- Slow enrollment process by RGI
- Network problem in majority of North Eastern States
- Prevailing weather conditions such as early onset of rainy season in hilly areas.
- Resentment against Aadhaar enrolment in some areas in Meghalaya.
- Some CEOs also raised issues regarding technical aspects of feeding and seeding.

- DECs directed to the CEOs -
  - The Electors who are reluctant to share Aadhaar mobile may be persuaded on the ground that apart from purification of roll it will enable services to citizens.
  - Strong SVEEP campaign with quality publicity materials may be taken in the poor coverage areas. Public / social groups / political parties at each level may be involved. Inauguration ceremony may be conducted and some important functionaries such as Chief Secretary may be invited.
  - Schools / colleges may be roped in. Forms may be distributed among students for collecting Aadhaar data of their parents.
  - Collection of Aadhaar data may be done in respect of the Government employees through their departments.
  - In the Districts where NPR coverage is more, a reverse system of collecting EPIC number / mobile number from electors through BLOs can be adopted.
